Hi Bella,

So sorry for the delay.

Here you go!

**The original PSFA “refresh project” was to be paid from two areas of funding:**

- 1. PBAC (President’s Budgetary Advisory Committee) funds: \$449,000 (this has no expiration)**
- 2. 2016-17 Deferred Maintenance fund: \$2 M. Please note the expiration date of these funds are June 30, 2019.**

Please let me know if you have any additional questions.

All the best,

Cory
